## Weekly Dose Horizontal Word List for Early Transcription

**RULE** Words displayed horizontally across the must fit on a single braille line Separate each braille word with two blank cells for kindergarten through third grade.

This type of format is ALSO used for displayed short lists, referred to the rule from section 9.2.4 out of Braille Formats 2016.

**Section 9.2.4** Horizontal word lists across the print page must fit on a single braille line, with each word separated by a blank cell. Present phrases vertically. The first word begins at the adjusted left margin.
