the first the first the first the first the first the first the first the first
the first the first the first the first the first the first the first the first

A 10x10 grid of 100 small square icons. Each icon contains a unique pattern of black dots on a white background. The patterns are diverse, including solid squares, horizontal and vertical lines, and more complex geometric shapes. The dots are arranged in various configurations, such as single dots, pairs, and larger clusters, creating a rich visual texture across the entire grid.
