## Lesson 7 Homework

Open up a word document and save your work as a pdf. Name the file **Lesson 7 Homework**. Send your file to [denise.bean@blind.state.ia.us](mailto:denise.bean@blind.state.ia.us) and within 3 days you will receive a letter grade with a report.

1. The first step in the process is to identify the problem.

2. The second step is to gather information about the problem.

3. The third step is to analyze the information and determine the cause of the problem.

4. The fourth step is to develop a plan of action to solve the problem.

5. The fifth step is to implement the plan of action.

6. The sixth step is to evaluate the results of the plan of action.

7. The seventh step is to document the results of the plan of action.

8. The eighth step is to share the results of the plan of action with others.

**DIRECTIONS:** Read the print and transcribe the corresponding punctuation into braille, don't forget to use PerkyDuck. This section is a review from **lesson 6**.

- a. ? . ; :
