

Weekly Dose Crossed-Out Letter

RULE When listed or displayed words relating to spelling or word structure are shown with crossed-out letters:

- Transcribe words with crossed-out letters in uncontracted braille. indicating the crossed-out letters.
- Show the word as spelled, without indicating the crossed-out letters.
- Then repeat the word, substituting a hyphen  (36) for each crossed-out letter.
- Explain the use of the hyphen in a transcriber's note.

Use this example below as your transcriber's note:

Words with crossed-out letters are uncontracted, then repeated with a hyphen substituted for each crossed-out letter.

car
house
farm

car house farm
car house farm
car house farm

car house farm
car house farm
car house farm
