Weekly Dose Grade 1 Word Indicator Reminder

RULE The grade 1 word indicator ⠰⠰ sets grade 1 mode for the next symbols-sequence or the remainder of the current symbols-sequence.
RULE The effect of a grade 1 word indicator is terminated by a space or a grade 1 terminator.

Example
I am so h-a-p-p-y today.

⠠⠊ ⠁⠍ ⠎⠕ ⠰⠓⠤⠁⠤⠏⠤⠏⠤⠽ ⠞⠕⠙⠲

In the example below, remember to use the grade 1 terminator, otherwise, no contractions would be permitted for the remainder of the braille sequence.
