Weekly Dose Title Page Updates for Reproduction Notices

Reproduction Notices. Under amended provisions of the U.S. Copyright Act, the permission of publishers or copyright owners is not required for an authorized entity to transcribe or distribute in the U.S. a previously published literary work or a previously published musical work that has been fixed in the form of text or notation in accessible formats for exclusive use by eligible persons.

Insert the following required reproduction notice on the next line after the copyright notice:

OLD FORMAT Further reproduction or distribution in other than a specialized format is prohibited.

NEW FORMAT Any further reproduction or distribution other than in an accessible format is an infringement.
